

THE NEIGHBOURHOOD

Great Southern Land.

Welcome to The Neighbourhood, Life Instyle's home for a specially curated collection of like-minded brands.

With a unique theme each year, this space is dedicated to showcasing a mix of new and original Life Instyle brands focused around specific trends, themes and attributes, but as always with style.

In 2021 our new theme for The Neighbourhood is Great Southern Land and we are looking for like-minded brands inspired by and celebrating the unique spirit, landscape and culture of Australia.

Sydney 2021 | 20-23 February

Celebrating the unique spirit, landscape and culture of Australia.

2020 has seen a movement for our community to come together, to support fellow Australians, to support local. Together we have battled drought, fires, floods, a pandemic and social injustice. Through it all we have stood side by side and embraced the true Australian trait of helping our neighbours. As we move into a new year we have the opportunity and momentum to look inward as a nation and unite as an industry to truly grow and celebrate the talent, innovation and spirit of makers and designers from within our own backyard.

Australian style comes from the unique spirit of our country and the people who inhabit it. We love beautifully made and designed Australian products utilising quality materials and craftsmanship, drawing inspiration from our landscapes and our stories. It is a style, much like our own lifestyle that is laid-back, yet adventurous, with an effortless individuality.

With this in mind, Life Instyle invites brands with like-minded values to apply for this year's Neighbourhood.

What we're after in Sydney.
