

THE HEALTH AND SAFETY OF OUR EMPLOYEES AND CUSTOMERS IS OF PARAMOUNT IMPORTANCE TO REED EXHIBITIONS. WE ARE DEDICATED TO ENSURING ATTENDEES CAN DO BUSINESS IN A SAFE ENVIRONMENT.

CROWD OCCUPANCY STANDARD (COS) - VOLUME OF PEOPLE AT ANY ONE TIME

By controlling the crowd occupancy, appropriate physical distancing can occur throughout the event. This will be supported where feasible with wider aisle ways and access and exit controls. Reed Exhibitions Australia will follow all government guidelines regarding safe distancing that are in place at the time of the event.

HAND SANITISER STATIONS WILL BE AVAILABLE THROUGHOUT THE EVENT

Hand sanitiser stations will be positioned at key locations throughout the event.

PROTECT AND DETECT ATTENDEES AND STAFF

No-contact registration system will support the tracing requirements of all participants. Your badge will be electronically sent to you.

CLEANING AND HYGIENE COUNTERMEASURES

In collaboration with the venue, we will ensure that the optimum ventilation, temperature, humidity, UV air purification controls are in place.

ELIMINATING HANDSHAKES

We recommend the elimination of handshakes at our events. Lead scanner apps will be available to safely store your leads.

FOOD SAFETY AND HYGIENE

In collaboration with the venue, we will prohibit open or self-service buffets in favour of food served pre-packaged or in closed containers.

TRANSPARENT COMMUNICATION BEFORE AND DURING THE SHOW IN ORDER TO GUARANTEE COMPLIANCE WITH SAFETY RULES

Our goal is to open the doors of our shows in a responsible manner while respecting the protection of participants and our employees.

WE LOOK FORWARD TO SEEING YOU AT OUR EVENTS!
